Together We're Better

Written by Ms. Eskenazi's Fourth Grade Class
Westover Elementary School

Together we're better because we have the courage to let those that we think are different than us participate in any activity.

Together we're better because we know that we can learn a lot from those that we think are different than us, because everyone has their own unique personality.

Together we're better because we respect those that we think are different than us, because we know that we all deserve to be treated equally.

Together we're better because we remember that all people have feelings, and in the end we are all human beings!

Together We're Better

Written by Ms. Beckman's Fifth Grade Class
Summit Hall Elementary School

Together. The feeling of not being alone.
Touching
the heart of others. Getting to know all
individuals.
Jointly learning
About each others' likenesses and differences.
Offering everyone
equal rights and opportunities to live successful lives.
Together we're better.

Together We're Better

Written by Ms. Tremel's and Ms. Keenan's Fifth Grade Class
ShadySide Elementary School

Together we're better by cooperating with each other,
We work together like sister and brother,
In gym class we play as a team,
In writing, we encourage each other
to increase our self-esteem,
In math class, we solve problems and everyone helps,
We're all strong and brave like Michael Phelps.

We help each other, even when we play,
In art we work as a team to sculpt with clay,
In math we immediately help without delay by helping each other, each and every day,
When it comes to school, we want to stay.

We all feel important, strengths we all possess,
Ciara never lies, she always does confess,
Jason is the best at basketball at recess,
Elyssa is so awesome, she does her best,
Jonah is good at games, he practices until he has success,
Katerina is a great friend, she cleans up her friend's mess,
Noeline comes to school showing her continued progress,
Alyssa is good at Social Studies, she knows about Congress.

We all value each other, we give each other respect,
Dillon does the job he is assigned on time,
We all give our full attention, no one wants to whine,
Dustin is very gentle with his property,
and he's also good at ice hockey,
We all try to be good listeners because,
we all want to learn- everyone does,
Sylvia gives help to friends who need it
and that's how we achieve it,
Alla helps our a friend when sad
and tried her hardest to make her glad,
All the student's ideas are great, we have the best class,
that we can state.
