Submission Details

Please include the following in your application submission:

1. The title of the innovation for which you are requesting grant funding.
2. A brief summary of your idea and how you will execute your project for which you are seeking funding (not to exceed a few sentences).
3. An explanation of your project's innovation(s) that will address an unmet need of individuals with intellectual and developmental disabilities (IDD), and/or their families that, if replicated, could have broader implications and applications. (Please note that projects must be in alignment with the [mission of The Arc Maryland](#).)
4. A description of the specific activities the grant funds will support:
 - a. What are you going to do?
 - b. Where will you conduct the grant activities?
 - c. Explain your qualifications to receive and manage grant funds?
5. Expected outcomes: What will happen as a result of your grant activities?
 - a. Provide at least three specific goals you will achieve (including the number of people with IDD and their families impacted).
6. How will you demonstrate that you achieved your outcomes: How will you know you were successful? (What data and artifacts will you gather? How will you measure success?)
7. Who will work on the grant activities/project?
 - a. Provide resumes for all key personnel as attachments.
8. Plans for disseminating findings and outcomes of the project.
9. A timeline of activities. Note that all activities and expenses must be completed by September 15, 2023 and final reports are due for final disbursement of funds by October 1, 2023.
